AOC You can give free housing to illegals right after you give free housing to every single American citizen who is living on the streets first, then every single American citizen who is paying to live in a house. Then legal immigrants. Then you can think about helping invaders

Illegal aliens get subsidized housing BEFORE American citizens. I'd say that's enough Catholic Charities et al. finds them free housing, in hotels, then gets compensated at a commission from taxpayers! It's a billion $ industry

Joe Capone's story of when Seth Rich left Lou's City Bar has already fallen to shreds.

Joe Capone isn't credible at all, he's flip flopped on everything

I'm going to say this one time in this thread.

MS13 had nothing to do with the murder of Seth Rich.

This isn't how they operate.

They use Knives and Machetes.

They don't use guns, hardly ever.

Q didn't say MS13 killed him. Q has Disinformation included on purpose.

The Democrats truly want you dead... They want to murder babies, and they want to take away your right to defend yourself.. It's unbelievable how corrupt this party truly is.

Perhaps the 2020 Platform should be "Keep them Defenseless"

The Disgusting Democrats who have no conscience about killing babies again show us that unless you say and believe what they say and believe then you can't speak. They hate our Constitution and what it stands for!

The U.S. does not want to watch as these ISIS fighters permeate Europe, which is where they are expected to go. We do so much, and spend so much Time for others to step up and do the job that they are so capable of doing. We are pulling back after 100% Caliphate victory!

Why any of you idiots would vote for Bernie Sanders is beyond me..

This guy literally let the Clinton's and the DNC screw him out of the primaries, took the donations and funding, and did NOTHING..

If you vote for him again, you get what you deserve.. Absolutely ridiculous.

And why now does she think ISIS is no good ? She married 4 yes 4 different ISIS terrorist who all want to destroy America. What's the real reason they are allowing her to come back ? She herself even denounced America stating "DEATH TO AMERICA" Doesn't make sense "oh I changed.

Well I hope her father is breaking open the piggy bank. If he wins we can just arrest her for material aid to the enemy and he can try to keep her out of prison

We have so few honest Republicans. There are zero honest Democrats. You would have thought Hillary would have taken care of these honest people by now They are the only thing between the evil and the good What have we done? It's our fault for electing evil

You wish Jordan, Meadows & Team just look like a bunch of fools who can t refute the evidence that Cohen has presented to corroborate his claims They can call Cohen a liar 24x7 but that erase Trump's conduct. They've chosen to totally ignore Trump's countless lies.

This is what I like to tell him. Yes well... her family, friends and community want Mollie back home... healthy and unscathed. They won't be getting that. Your chances of getting what you want should be the same! NEVER.

Oh Brother
the ONLY possible way this Human would benefit w/All Hispanic Jury is if ALL Jury Members are Illegal. Legal Latino American s, WITH Legal Citizenhip Do NOT want Illegals here. Illegals give Law Biding South American Citizens a BAD Reputation.

Look we just lived through 8 years of a National Emergency known as the Obama Presidency. He was the crisis.

And during that disastrous period, he brought in tens of thousands of unvetted, unvaccinated, people of his own religion. Evil

No, she would be able to plot & support terrorism right here instead of long distance. She is dangerous and she needs to remain with the people she chose over America.

As soon as you leave your family to be with an evil enemy, you can no longer be trusted. The moment she swore herself to ISIS, she left America behind FOR GOOD. We didn't leave her. Her decision to choose the dark side, her CONSEQUENCES. No mulligans. this is too serious.

I read because she took up arms against US (calling for others to attack and kill US citizens with vehicles)she became enemy combatant forfeiting citizenship & protections including due process. She traded it for protections under laws of war with rights equal to her comrades.

Bigger problem with Ilhan Omar is not what she says, but what she believes.

She says what she means and means what she says

Those who enable or excuse her anti-Semitism are complicit.

Bigger problem with Ilhan Omar is not what she says, but what she believes.

She says what she means and means what she says

Those who enable or excuse her anti-Semitism are complicit.

Yeah, because the Democrats are the beaming hope of light for women..

Bill Clinton

Harvey Weinstein
Anthony Weiner
James Gunn
Keith Ellison
Justin Fairfax
Al Franken (Video Proof btw)
John Conyers

Shall I go on?

I mean because they're all suffering right?

> **David Sheridan** @SheridanFinAid
> Yeah, Fox could #FireTuckerCarlson but then he'll just be hired by the Trump administration to head a commission on women's rights.

Recreate a NASA Challenger Mission huh?

The one where it exploded?

I watched it in school, and I'm 40. It happened in 1986... You weren't born until 1989..

Anything else you'd like to not tell the truth about genius?

> **Alexandria Ocasio-Cortez** @AOC
> @girlscouts is how I first practiced how to change brake fluid, start a fire, practice self-defense, recreate the NASA Challenger mission, and v importantly: learn to teach myself new skills + navigate ambiguity. 🚀

No! I am going blind in my left eye & can't afford the surgery to correct it. We are saving every extra cent to pay for the surgery and hoping to correct it before it is too late! However I watch these people get the same surgery for free! I have worked all my life with no help

I'm asking - first it's somehow Trump's fault - then the NRA. IDK anything going on in NZ, but maybe it's a hotbed of super Trumpers and the source of all NRA support and we don't know about it. I suspect they have their own political issues people, and groups, but, that's me.

If you're white and American, apparently you're responsible for someone from gun restricted Australia committing a terrorist act in gun restricted New Zealand..

According to Alexandria Ocasio-Cortez, Beto, Ilhan, and the band of nut cases running the New Democratic Party..

Please just shut up already..

You're an embarrassment to Americans everywhere.

We're tired of being labeled.

Democrats said nothing with Brian Hodgkinson, Stephen Paddock, Omar Mateen, or Farook and Malik... Why? Because they were all radicalized and not "conservatives"

How about we just call it what it is, terrorism, without getting identity politics involved.

You didn't tweet about Brian Hodgkinson (Bernie)

> We don't back down in the face of Islamophobia and racism at home or abroad. We stand up, stand together and make it clear that terrorism won't be met with indifference but with action that honors our diversity as the people of the world. Thinking of our friends in New Zealand.

When will House Democrats reprimand Alexandria Ocasio-Cortez???

We have NEVER seen a politician politicize a horrific event like we are seeing this monster do.

Absolutely inexcusable..

Matt, do you remember the episode where Gomer shouts, "Citizens ar-RAY-est! Citizens ar-RAY-est!"?

For some reason, that's how I read this:
"Will they suck SEE-ed? Will they suck SEE-ed?"

Maybe because the "1slamoph*bia" fallout is gonna be a comedy of epic proportions!

You're LYING...

He has the power in the Constitution granted to him by the CONGRESS in 1977...

Stop lying

Nancy Pelosi @SpeakerPelosi
The House and Senate resoundingly rejected @realDonaldTrump's lawless power grab, yet the President has chosen to continue to defy the Constitution, the Congress & the will of the American people. #FakeEmergency

Bill Barr just gave an official statement telling the country that the President does indeed have the authority to call for a national emergency and that what is happening at our southern doorstep qualifies unconditionally as an emergency.

So Roseanne does 1/100th of what James Gunn does, and gets fired by ABC/Disney..

James Gunn Makes horrific tweets about hurting children, and he's rehired as the Director for Guardians of the Galaxy 3?

Just want to make sure we're on the same page here.

It's now PROVEN that John McCain was behind the Fake Russian Dossier and trying to frame the Trump Campaign. Meghan has Daddy Issues, and she blocked me when I called her out for it two years ago.

President Trump is 100% right to call out this fraud!

Does anyone know what charges can be brought against these people. I already know that the likelihood they will ever be brought to answer for their crimes is between slim and none, but when we stand to complain, I'd like to know exactly how to cohesively frame the complaint.

It isnt that Ilhan Omar is Muslim that we want her gone. We want her gone because all indications are she HATES America and mainstream Americans. She is an insult and not only doesn't belong in Congress, but her access to the USA should be revoked.

That's cuz one of the upper CEOs or whatever is Muslim and is letting Sharia Law dictate what's put on the network! Sad!

One more reason to support the green deal. Without cows, we wouldn't have to worry about them getting accosted by weird illegals. I bet AOC is green with envy. (that was an example of my sick sense of humor, but the guy with a cow is truly disgusting

Everything you mentioned just shows how truly clueless you are..

Criminals don't obey gun laws, never have and never will..

The Department of Justice just put out a recent report (we wrote about it, no one listens) showing that 97% of inmates said they stole guns. #Facts

Democrats like Adam Schiff have already moved from crying collusion to arguing that the Mueller Report is just the beginning.

Give me a break.

The American people know what a politically motivated smear campaign looks like, and that's exactly what this is.

No further charges from Mueller

Mueller spent over $35 million in taxpayer money, changed the news cycle for two years straight, & uprooted the lives of countless patriots just so the Democrats could try and destroy Trump

Well looks like your plan backfired, again. Trump wins

With the release of the Mueller report, President Trump can now declassify FISA & the REAL CRIMES will begin to be exposed by top FBI, CIA & DOJ members within the Obama administration

Get your popcorn ready.

Mueller just untied Trump's hands & now the fun can start.

Donald Trump took on the weaponized intelligence bureaucracy and won. We can only hope that he is re-elected in order to continue the draining of the fetid DC swamp.

It is now sadly clear that a preponderance of so-called "news" coming from America's mainstream media outlets is unvarnished biased drivel. They have aided and abetted the disgruntled Democrats' unholy jihad against this President. They are truly the #EnemyOfThePeople #Russiagate

What a time to be alive.

I never thought Donald Trump would be President of the United States.

I never thought Donald Trump would be my favorite President

I never thought I would ever have a favorite.

But Donald Trump made me a believer. Not just with words but with action

@realDonaldTrump deserves Ambassadors like @RichardGrenell, who actually support his America First Agenda.

It's time to get rid of all these NeverTrump, Obama holdovers once and for all!

@repadamschiff said he had direct evidence of Trump-Russia collusion

(He lied.)

They claimed Republicans don't want transparency.

(We do.)

They said Trump will interfere with the report.

(He didn't.)

The misinformation about the Mueller probe is rampant.

ISIS defeated! A really big deal. This is what happens when you let the guys in the field do what is needed to win rather than let Obama's lawyer bureaucrats in DC call the shots. We've now understand full well how incompetent those bureaucrats really were on many levels.

TODAY @TODAYshow

U.S.-backed forces say they have defeated ISIS as the last stronghold has been freed. NBC's @MattMcBradley reports from Syria.

They are Patriots...

Some Patriots are even being sued by former White House Attorneys for pursuing the truth... And they're being silenced for doing so..

This was like Watergate, only this time Democrats illegally spied on their opponents' campaign. And then tried to derail the administration using McCarthyism and sparking a new Red Scare.

To those well-versed in criminal law, two questions: 1) Is Geragos positioning himself to throw #Avenatti under the bus, and 2) which federal charges are more dangerous to Avenatti, the NY extortion ones or the CA bank and wire fraud charges? #CPL

Eric 'Duke Nuke'm Swalwell claims he has proof of Russian Collusion and he knows what he saw. Says the President can sue him.

Raise your hand if you think Lindsey Graham should Subpoena him so he can commit perjury in front of the US Senate.

This will not end well for swalwell. I have never seen a person on self destruct to this degree. And I have seen some pretty nose dives at the poker tables. But nothing compares to this

The funny part is the Democrats are so ignorant they don't realize that we all are okay with releasing the full Mueller Report as to within Judicial guidelines..

Democrats are just looking for things to try to embarrass the President on for 2020, nothing to do with collusion..

Betting there is a trail of illegality in the #MuellerReport that leads right back to Democrat leadership, and goes back at least
Six years.
#Democrats will sink themselves

The Mainstream Media is under fire and being scorned all over the World as being corrupt and FAKE. For two years they pushed the Russian Collusion Delusion when they always knew there was No Collusion. They truly are the Enemy of the People and the Real Opposition Party!

She needs to be. I just read an article that Soros donated 208k to her. Have also seen pix of her posing with Harris and both Obama's. That is enough to get started with. Or are they waiting for a dossier?

As an attorney you well know we have a concept in America called the rule of law. If you break the law, you are held accountable. It is not a whimsical process. We don't choose to enforce the rule of law as a matter of taste or opinion. After all, this is America, not Chicago...

I don't think putting gasoline on a fire is smart. Regardless of what HRC did or did not do, she is out of politics and the nation needs to move forward not be stuck in the past. I worry more about the now and the future for my fellow Americans than the past. twitter.com/ucchristinme/s

@Rea MattCouch

The Silent Majority has been silent for too long..

Afraid of being attacked for wearing a Trump Shirt, a MAGA hat, or even putting a sticker on your car, or sign in your yard.

We MUST rise, we MUST stand with our President.

There are Tens of Millions of Us, Now is the time!

Yea, you're right, Matt. I'm reading Not On My Watch by Elizabeth Johnston. It's excellent. She takes Christians to task about taking action. Read Daniel 11:32 We are numerous! We Must or we will loose our culture!

Hahahaha... how much you want to bet that he runs anyway. The Dems don't give a shit... he's a Democrat. The standards don't apply. He'll just accuse her of being a secret Republican and that'll be that.

Had the Fed not mistakenly raised interest rates, especially since there is very little inflation, and had they not done the ridiculously timed quantitative tightening, the 3.0% GDP, & Stock Market, would have both been much higher & World Markets would be in a better place.

Exactly that. BLM for example Just the other side of the racist coin. KKK on the one side, turn it over and there's BLM (and assorted leftist leaders including, apparently, black church leaders) ready to take up the mantle.

#InvestigateCPS

One of the most important issues facing our Country:

CPS and Family Court destroying/traumatizing/terrorizing families, and no one in the DOJ, seemingly, doing anything to stop it.

America, do you want this coming to your door?

Joe Biden is in hot water now that a former Nevada State Senator has accused him of Sexual Harassment.

What would you nickname Joe if he enters the 2020 Presidential Race?

You mean just one person is accusing him? He has a very long list and pictures to prove it over the years.

The MSM (Fake News) never noticed this?
There are hundreds of pictures of him fondling little girls, and to add insult to injury, in front of their parents!
Finally some one was brave enough to accuse the pervert.

This is so disturbing and heartbreaking to watch These poor poor children. God please have mercy on them. I would adopt them all if I could. Lets start an orphanage for them all as George Mueller once did where they could be safe

They won't get any press unless they go after conservatives The appeasers never think their turn will come Until it inevitably does It would be sad if it were not so predictable

Lmao How Dumb is that? If I were a illegal Why would I want to rush the borders of a Country that's racist? I wouldn't. I would want to if I got free education, sanctuary cities, welfare, housing, work and didn't have to respect the laws of the land

Notice how quiet the Democrat outrage is when people like Joe Biden get accused of sexual harassment and misconduct?

There is more evidence of wrongdoing with Biden than there was with Kavanaugh

How will the media handle these growing accusations?

Ilhan Omar and any other Muslim cannot condemn killing gays, it's against their religion. Muslim is a religion not a race, people should take notice of all the white women dying at the hands of Muslims wonder why that's happening 🤔 wake up America! ISIS is in OUR COUNTRY & HOUSE

Just confirms what a huge supporter he is of Muslims. He has always put Muslims over Christians. Even stating we're not a Christian nation. Sorry but I will take the Bible over the Quran all day every day!!

I'm amazed that anyone can even try to defend the Democratic Party...

Beto talks in Spanish, yet he's Irish...

Kamala listened to Tupac and Biggie, even though she graduated college 5/7 years before they released albums..

AOC is a world renowned historian and weather major..

Actually Lindsey is right.

The only thing they want to do from this Mueller report is try to hurt Trump personally... Nothing criminal was ever found.

If you don't realize this is nothing about transparency & everything about trying to embarrass & hurt Trump, you don't get it.

Very strange, Nadler didn't want the totality of SC Ken Starr's report released to the public. Pack of hypocrites

If you haven't figured it out yet, let me break it down for you..

They want to release the entire report to the public in hopes of embarrassing President Trump and his family further..

They know there is nothing criminal, but they hope to hurt Trump by leaking this report.

It's akin to the Democrats having used $25M+ of taxpayer funds to dig up OPPOSITION RESEARCH for the 2020 campaign. There's nothing in the investigative findings that served as sufficient evidence for criminal indictment but plenty can be spread to embarrass & speculate in media

This is what self righteous movie stars just don't get.
Their public sts create an image ...then they open their mouths...show us who they really are ...image shattered ...and we change the channel ...pass the theatre ...stop streaming...choose to read a book.

She's actually talking about kids trafficked through Mexico, aka 'avocados.' Some Americans may indeed die without their supply of enslaved children

Please RT this. None of this is about avocados. Why do you think they don't want a wall

Avocado is code for babe in the womb. Or so I've read. Think of how it looks when cut in half

I mean they are a staple for me but I'll do what I do now when they have no ripe ones at the store; look for asparagus! They grow a lot of that a couple hours from me in Walla Walla, Washington!

The Democrats are trying to get rid of Joe Biden..

Conservatives should NOT take the bait..

This isn't conservatives bringing Joe Biden down, it's radical leftists who support Beto, Kamala, Booker, Sanders, Omar, etc..

Keep an eye on this, the new guard is trying to take over.

Kamala, Beto, Booker..

I honestly want to see Trump vs Biden..

I do not want to see a radical Obama like loon emerge out of this.

I see a lot of post starting off as " What if republicans or Trump" did so and so.

You know what that means?

It means democrats are doing this shit including coups, breaking all kinds of laws in our face and NOTHING

I'd like to tell her to go to "BLEEEEEEP"! As a good Christian I have to censor myself

Ironically as Christians we can't say that even in jest. Jesus directed us to pray for the nonbeliever and be the light. It's so hard to do 1on1 fight to survive.

Agree, but even as Christians, we are also human. All we can do is try. We are living in some trying times that make it awfully hard to turn the other cheek and walk away!

That is for certain. Preach it!

Omar would like us to think that people accuse her and Tlaib of harboring anti-Semitic beliefs because the accusers are intolerant of Muslims. This is a smokescreen. The statements the congresswomen have issued on Israel are patently anti-Semitic

They think Trump is uncouth. This guy is uncouth he called his teenage daughter a fat pig a few years back along with his classless attacks on the President. Say what you will but Trump is a good Dad, doesn't bad mouth his kids, and has never personally attacked the former Pres.

What I do want to know is how did a simple elected official become a mult millionare while in office then become 10 times richer after leaving office
